The FFA

To Ring In The New Year

For the first year ever, RFD-TV is having a float in the Tournament of Roses® Parade on January 1st Saluting American Farmers and Ranchers. To help with the decorating of the float, RFD-TV is inviting FFA members, sponsors, alumni, teachers, family and friends to join in the festivities.

Below is our volunteer schedule for this year's decoration, giving you the dates and times RFD-TV will be working on dry materials and floral application. You may volunteer on any or all of the dates listed, however, we do ask that you plan on working a full shift which is 8 hours. All volunteers must be at least 13 years old to participate.
